Docket Supreme Court, MS

NO 477 -

The Crescent City Live Stock ~~Land~~ing
& Slaughter House Company

The plaintiffs show that a writ of error
& bond were allowed & approved & that citation issued & was
served, & that a copy of the writ was filed in the Supreme
Court of Louisiana during the month of May last, within ten days from
the date of the final judgment so as to transfer the cause to this
court and to be a supersedeas.

That with knowledge of the fact, and their legal effect the
defendant after the same in June 1870 commenced a suit in the
8th district court of the parish of Orleans to evade & to defeat
the operation of the supersedeas aforesaid & the process &
jurisdiction of this court. The said cooperation applied to the
said court for an order to the City of New Orleans and the
Metropolitan board of police commanding & enjoining them
to prevent all persons (except said defendants) from landing,
keeping, or slaughtering any cattle hogs calves sheep
swine or other animals & from moving, keeping, or
establishing any ^{stock} landings yards pens slaughter houses
at any point or place in the city of New Orleans
or the parishes of Orleans Jefferson & St Bernard & to
prevent and prohibit all persons from selling animal meat
for human food in the city of New Orleans that
had not been slaughtered at the ~~houses~~ of the defendants

The defendants show that they never sent
any party to the said petition & that the same
was granted without notice to them But that

the same was granted by the judge and the writ as order
issued and was executed in the manner set forth
in the affidavits on file with the record of the
said petition. That the said order in so far as it affects
the power of ~~interfering~~ keeping or slaughtering animals
or housing wharves yards pens slaughter houses or
expressing for sale meat for food prepared for market
in said parishes at any other place than the house of
said company is in full force. These two municipal
authorities are not officers of the court nor subject
to them.

These plaintiffs submit the record & affidavits to the
court and pray of the court a supersedeas injunction or
other restraining order to be directed to the said defen-
dants, to the City of New Orleans & to said 8th dis-
trict court of the parish of Orleans commanding
them not to prohibit restrain prevent or interfere
with the plaintiffs in keeping keeping or slaughtering of
animals, or in housing keeping or establishing wharves
pens yards abattoirs slaughter houses & of selling meat
in the parishes aforesaid or city aforesaid in as full ample
& complete a manner as they did before the passage of
the act of the 8th March 1869 creating the defendant, ^{or as the said corporation may do under said act.} as
a corporation, & that full & ample relief be granted from
the acts aforesaid & that the supersedeas be fully ~~enforced~~
that is implied from the facts aforesaid.

And that the said defendants be required to
desist from any attempt to interfere with their houses
abattoirs or other property for carrying on their
business referred to in said pleadings.
